REVIEW of a decision of the Court of Appeals. *Dismissed as improvidently granted.*

¶1 PER CURIAM. After examination of the record and the briefs of the parties, and after hearing oral argument, we conclude that the petition for review was improvidently granted.¹

Derek Miller, the petitioner, stipulated that he was a sexually violent person and raised issues about his placement. Because the statutes at issue have changed since the petitioner's case arose and the court of appeals has adequately addressed the issues raised by the parties, we conclude that this case does not meet our standards for review.

¹ State v. Miller, 229 Wis. 2d 567, 600 N.W.2d 224 (Ct. App. 1999).

By the Court.—The review of the decision of the court of appeals is dismissed as improvidently granted.
